

# CAREGIVERS SUPPORT GROUP

Those who give care to a loved one carry a tremendous load. If you are currently in charge of the welfare of another, we want to encourage you, support you, and give you a time of spiritual nourishment.

The Caregivers Support Group meets every other Wednesday from 2:00 to 3:00 PM in our church library. This group is open to the public so if you know of someone who could benefit from this type of support,
